Sobre esta atividade de aprendizagem

A *Taste of Agile* is designed to provide a basic awareness of Agile work methods, and how you can use them to change the way you work in academics, on the job, or even in your personal life. The course provides a foundational understanding of the values, principles, practices, and patterns of Agile, and the team dynamics that create success.

A *Taste of Agile* is appropriate for everyone: students, workforce-facing team members, executives, managers, and practitioners.

**Badge met!** This course is the first of three in the Agile Explorer series. Complete all three courses and earn the **Agile Explorer** badge!

**Duration:** 2 hours, 50 minutes

#### Sobre esta atividade de aprendizagem

*Agile Program Fundamentals* is designed to help project teams develop the foundational skills to plan, structure, and deliver on programs and projects incrementally and iteratively. This course builds on the foundational awareness from *A Taste of Agile* and *Agile Operations Fundamentals*. You will learn the project pattern and receive guidance on recommended practices, tools, and techniques that align to the core Agile values and principles.

*Agile Program Fundamentals* is appropriate for everyone: students, workforce-facing team members, executives, managers, and practitioners.

**Badge me!** This course is the third of three in the Agile Explorer series. Complete all three courses and earn the **Agile Explorer** badge!

**Duration:** 2 hours, 10 minutes

#### Sobre esta atividade de aprendizagem

Are you curious about mindfulness? In this course, learners develop an understanding of mindfulness concepts and techniques. They also learn how to further develop focus and self-awareness and how to apply mindfulness practices in various situations. Badge earners can use these skills as a foundation for further study in mindfulness and to apply mental and emotional management in any career path they choose.

Complete the course and earn the SkillsBuild **Explorations into Mindfulness** badge, co-created by IBM and the University of Oxford Mindfulness Centre.

**Duration:** Complete this course and earn 3 hours of learning credit!
